

TFC-MINI-A | 95-gallon Mini Fuel Trailer

This package includes a diamond plate aluminum tank with a storage box mounted on a 3.5K GVWR single-axle steel trailer. The trailer is DOT-approved for use with Avgas, Jet-A, JP-8, and other aviation fuels. It can be towed on public highways when full.

STANDARD FEATURES

- Tank Level gauge, lockable fill cap, roll-over vent
- Aluminum construction, baffles to prevent sloshing
- Powder coat paint with base coat primer
- Certified hoses, piping, and fittings
- Lockable cabinet enclosure with additional storage space
